

*Dear Neighbor,*

We noticed your sprinklers are running at the wrong time. Would you please adjust your watering system to run in accordance with the Valley Grove covenants? Your neighbors will appreciate it.

The purpose of the watering plan times and odd/even system is to prevent our pumps from running dry due to peak demand during the summer, and was also mandated by the DEQ as a condition for approval of our 4th well.

Your system was observed watering on:

---

*Excessive violations are subject to fines in accordance with the watering plan.*

*Please adjust your system immediately.*

*Thank you! - Valley Grove HOA.*

For reference, the following is an abbreviated overview of the official Water Restrictions, Rules, and Penalties. These were never temporary, as some residents believe. Please see the full text on [www.vghoa.org](http://www.vghoa.org). If you are a tenant, please inform your landlord of this door tag immediately.

1.02 Restrictions. A. Hand-Watering of Plants and Shrubs is authorized at anytime. B. Except as provided in paragraph A, Irrigation shall be confined to those times and those days set forth in this paragraph: 1. Irrigation conducted by or through a Manual Irrigation System shall take place only between the hours of 5:00 AM to 11:00 AM and between the hours of 5:00PM and 12:00 midnight. 2. Irrigation conducted by or through an Automatic Irrigation System shall take place only between the hours of 5:00 PM and 11:00 AM, although landowners with an Automatic Irrigation System are encouraged to Irrigate between the hours of 10:00 PM and 3:00 AM. 3. No irrigation shall take place on July 31st or August 31st of any year. 4. Each Landowner with a street address ending in an odd number shall Irrigate only on odd-numbered days, and each Landowner with a street address ending in an even number shall Irrigate only on even-numbered days.
